

A torn piece of paper with a decorative border. The word "BUS" is visible in a stylized font. Below it, the letters "EST." are partially visible. The paper is torn and crumpled, with a dark, irregular shape on the right side.

SALE  
LANDS,  
DES.  
of 100 per cent. in  
DUCTS.  
are greater than  
and can double  
the wheat crop  
while the corn  
will double.  
THE SOIL  
is more rich in  
than prairie soils,  
and, the fertility  
is great.

**PERITY.**  
The people, it may be  
estimated, 5 to 10 per  
cent were for-
